This diagram shows the front panel assembly in an exploded view. It includes a rectangular front panel (5) with rounded corners. Two sets of mounting hardware are shown: one set (1, 2, 3) for the left side and another set (1, 2, 3) for the right side. Each set consists of a bracket (1), a screw (2), and a washer (3). The front panel (5) has pre-drilled holes (4) for the brackets. The diagram illustrates how the brackets are attached to the front panel using the screws and washers.

Technical drawing of the 'Banco' table. The top view shows a rectangular table with a height of 134 and a width of 350 (adjustable). The side view shows a table with a height of 48 and a length of 500. The table has a simple, minimalist design with a flat top and a single leg on each side.

Technical drawing of the 1000 Series 2-Door Cabinet showing front and side views with dimensions:

- Front View (Top):** Shows a rectangular cabinet with a height of 134. The top width is 350 (adjustable). The door width is 2- ϕ 48.
- Side View (Bottom):** Shows the cabinet's depth of 500. It features two casters at the base and a locking mechanism on the right side.

This diagram shows an exploded view of a shaft assembly. The components are labeled with numbers 1 through 5. Callout 1 points to a small pin or clip. Callout 2 points to a larger pin or clip. Callout 3 points to a nut or washer. Callout 4 points to a flange or pulley. Callout 5 points to the shaft itself.

Technical drawing of a shaft assembly. The top part shows a shaft with two bearings, with a dimension of 552 between the bearing centers. The bottom part shows a cross-section of the shaft with a diameter of 2 x 48 and a height of 67.

Diagram illustrating the assembly of the front wheel components, labeled 1 through 5:

- 1: Two small cylindrical components (likely axle pins or spacers).
- 2: A small rectangular plate or bracket.
- 3: Two long screws or bolts.
- 4: A large circular hub or flange.
- 5: A curved component, likely a fender or mudguard.

Diagram illustrating the exploded view of the front panel assembly, showing components 1 through 5.

Technical drawing of the 'Tavolo da salotto' (Living Room Table). The side view shows a table with a width of 52 cm, a depth of 39 cm, and a total length of 159 cm. The top view shows a circular table with a diameter of 41.8 cm and a height of 110 cm.

Technical drawing of the 1000 Series Bidet showing two views with dimensions:

- Top View:** Shows a rectangular unit with a height of 96 and a width of 143. A side arm extends from the left side, with a height of 61.
- Front View:** Shows the circular bidet head with a diameter of $\varnothing 48$ and a height of 77. The side arm is visible on the left.

Technical drawing of a 1000mm long metal profile. The top view shows a length of 1000mm and a width of 552mm. The side view shows a height of 110mm and two Ø18 holes. The drawing is labeled with dimensions 552, 48, 110, and 2-Ø18.
