Creating the Perfect Shower

The SPECTRA Collection

We designed the SPECTRA Collection after thoughtfully considering the different showering needs people experience throughout their lives. This collection of multi-functional shower system components provides the functionality you need, in the styles you want. Technically advanced, functionally flexible and easy to install, you can create the right SPECTRA Showering System for every bathroom.

SPECTRA Shower Collection

THE SPECTRA
SHOWER PORTFOLIO

SHOWERING
FEATURES
AND BENEFITS

TOUCH

Effortlessly change the spray function with an easy touch of the showerhead's outer ring.

eTOUCH

Easy-to-access, waterproof remote switch that is mountable anywhere in the shower allows user to change shower function with a simple click.

AQUATOGGLE

Smartly positioned lever allows users to easily switch between preferred functions while operating the spray head with a single hand.

DOCK-TITE

Dock-Tite's magnetic docking system secures the spray head and provides easy operation of spray head.

DIVERTPADDLE

Easy-to-reach position of diverter makes switching between hand shower and showerhead easier and more accessible.

EASYCLEAN

Allows easy removal of limescale, mold or dirt.

SPECTRA USER
CENTERED EXPERIENCE

The SPECTRA Collection offers a wide range of spray functions to meet the needs of any user.

DRENCH

Soaking with full-body coverage

SENSITIVE

Fine spray that feels soft on the skin

JET

Focused high-pressure streams of water

POWERWASH™

Powerful sheet spray providing sweeping coverage

MASSAGE

Pulsating spray to relax and massage

SPECTRA
eTouch™

The most convenient, at-your-fingertips remote functionality. Mount the waterproof remote anywhere* in the shower to benefit a variety of users, from kids to the elderly and anyone looking for the latest in technology. The remote allows everyone to easily switch spray functions without having to reach the showerhead. A simple click lets users experience four different spray functions—Drench, Sensitive, Jet and Massage.

*Any wall that has minimal direct contact with water, within a radius of 3 m.

SPECTRA eTouch
FFASS057-000500BC0

Users simply turn the shower on, then press the remote or the capacitive ring of the showerhead to select their preferred spray function.

SPECTRA
Touch™

SPECTRA Touch
FFASS056-000500BC0

Simply turn the shower on. Then touch the capacitive ring of the showerhead to conveniently change the spray function.

Users can adjust the shower spray with a simple touch. Tap the outer ring of the 180 mm showerhead to easily change the four-function spray selection—Drench, Sensitive, Jet and Massage.

SPECTRA
Duo™

SPECTRA Duo
FFASS055-000500BC0

This two-in-one offers flexibility along with the widest spray coverage on the market. Secure the hand shower with the Dock-Tite® Hand Shower Docking system and simply switch between the sprayheads using the conveniently placed DivertPaddle™. Users enjoy four different spray functions via AquaToggle™—Drench, Sensitive, PowerWash® and Massage.

Dock-Tite® Hand Shower Docking
Securely docks magnetically for ease and accessibility.

DivertPaddle™
Convenient location of diverter makes it easy to switch between sprayheads.

Wider Spray Coverage
Shoulder to shoulder spray coverage offers a better showering experience.

AquaToggle™
Each user can easily select their preferred spray function.
