## ALWAYS KIND

Unlike hand showers that feel harsher on your skin with increased water pressure, GENIE is a specially engineered pressure-boosting hand shower that delivers a strong and consistent shower experience and yet gentle and kind to your skin, via its 120 intricately and evenly spaced nozzles.

## ALWAYS GREEN

Save both water and the environment while maximizing your shower indulgence as GENIE cleverly increases and boosts the water pressure without increasing water volume.

## ALWAYS CLEAR

Stylishly designed with a modern translucent clear face plate, GENIE allows you to see and decide whenever cleaning is required.

## ALWAYS CLEAN

Coupled with a removable back cover, clogs can be easily removed for a perfectly clean shower in just **4 simple steps**.

**1.TURN** Using the GENIE key, unlock the back cover with an easy turn.

**2.OPEN** Remove the back cover.

**3.CLEAN** Use a non-abrasive material to wipe clean.

**4.LOCK** Simply replace the back cover and lock it.
